President's Report

This third year of operation saw our club make a move to a larger facility at Polwarth Oval, Torquay. Whilst the move resulted in a change of day for the weekly competition, overall, the season was very successful, resulting in 150+ members.

The transition to the Sports Precinct allowed for greater access for the members of the committee marking lines and setting up each week. The dedicated sport oval provided us with a safer running surface for athletes and gave us more exposure to the wider community. With consultation between Surf Coast Shire and local businesses we were able to have a new Jump Pit installed for our Long/Triple Jump events.

Due to the limitations of our previous location and uncertainty regarding the future location of Surf Coast Little Athletics the support from the Surf Coast Shire in facilitating this move was greatly appreciated.

A huge thanks must go out to our Silver Partner, McCartney Real Estate who has supported us from our first year. We were also delighted to have Torquay's Kip McGrath supporting us as a Silver Partner for a second season.

We are pleased to have had The Running Company Geelong support us as a Bronze Partner and offer some bonus giveaways to our members along with the opportunity to purchase shoes at one of our weekly meets.

This season we introduced Grand Slam Physio as a Bronze Partner. All this support from our Partners gave us the opportunity to update some equipment, including the addition of two more lanes for our sprint track and a wireless timing hub for the circular track. These additions ensure times are more accurate and negate the need for the club's recorder to manually add running results each week.

President's Report

Surf Coast Little Athletics applied for several grants throughout the 23/24 Summer Season. Whilst we were unable to utilise one grant for additional High Jump Mats we were fortunate to receive a grant from the Surf Coast Shire.

This grant paid for a custom-made heavy-duty cover for the newly installed Jump Pit.

I am grateful for my time on the Surf Coast Little Athletics Committee and I have enjoyed being a part of the club over the last three seasons, I wish the existing and new members a successful 23/25 season.

Cassie Capuano
President

Treasurer's Report

Surf Coast Little Athletics (SCLA) entered its third season of competition with excitement and great enthusiasm. It was fantastic to see many returning athletes and to be able to welcome plenty new faces to the club.

Income	\$
Membership fees	\$11,818.42

Other Income	\$4.62
Total income	\$23,272.20
Gross profit	\$23,272.20

Income

Total Income for year ending 30 June 2024, was \$23,272.20 which is a 40% drop from previous FY23. This was a result of reduced income received from sponsorships and grants (this FY total = \$6,549, compared with \$25,600 previous FY23).

It was exciting to see continued growth in our club with 147 registered members, resulting in a 20% increase in income from membership fees.

Treasurer's Report

Expenditure

Total Expenditure for the year was \$22,533.12.

Equipment purchase(s) continue to be the largest expense for our club, at \$7178.26 for the FY, although expenditure on equipment dropped by 45% this FY due to large items being purchased the previous years.

Repairs and maintenance were our second largest expense coming in at \$3,471.37. Most of this expenditure was spent on ground management (including line marking and turf repair) for Polwarth Oval.

In terms of other expense items, the entertainment (BBQ's, Santa day, medals, and trophies), uniforms and equipment storage, are the next largest line items incurred this year. At the end of the season, the club was fortunate to be loaned a shipping container, stored on a local property for the storage of our equipment, free of charge. This will save the club \$180.80 per month in fees for hiring a shipping container, which is a big win for the club ongoing.

Treasurer's Report

Budget Review

After deducting the clubs' total expenses from its total revenue for the FY24, SCLA has a net profit of \$739.08 for the FY24. This is a 91.7% reduction from FY23, which can be explained by the large reduction in sponsorship and grants received this financial year.

As of 30 June 2024, the club had a cash on hand amount of \$13,991.62.

Thank you to our generous sponsors, community partners and loyal members for your continued support and we look forward to seeing you all in FY25!

Emma Monteath
Treasurer

Summary

In summary, the club's revenue exceeded the expenditure marginally and therefore resulted in a small profit for the club. The club holds a healthy amount of cash on hand and therefore was not in any financial risk.

If the club's expenditure continues to rise due to requiring new equipment, maintenance of existing stores and equipment, or the ever-increasing cost of goods and services, and begins to exceed revenue, then the club is at a financial risk. Therefore, the committee may need to apply for further sponsorship and grants or increase the membership fee to ensure the club is able to maintain a healthy financial position.

Statement by the Committee of Management

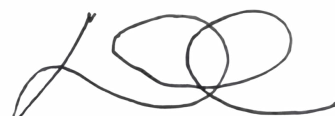

It is the opinion of the committee of management that:

1. The accompanying statements income and expenditure are drawn up, so as to give true and fair view of the financial activities of the club for financial year ending 30 June 2024.
2. At the date of this statement, there are reasonable grounds to believe that Surf Coast Athletics Inc will be able to pay its debts as and when they fall due.

Signed on behalf of all the members of Surf Coast Athletics Incorporated in accordance with a resolution of the Committee.

Secretary's Report

Our third season but our first at a new home in Wadawurrung Way-Polwarth Oval. It was also a new time and day in Friday afternoon. Our move ensured that our continuing goal of solidifying Little Athletics in the Surf Coast is starting to become a reality.

While we said goodbye to some key founding Committee members including our President and Treasurer. A huge thanks goes out to Cassie Mynott for stepping in and guiding the 23/24 season.

This season saw my role also involved picking up the Western Metro Region Liaison at Region's monthly meetings and representing at the LAVic AGM.

Our registration process remained smooth for all new and existing members thanks to Sharon Mynott. As Sharon takes a well deserved break I look forward to supporting Emma and Jeremy Monteath as we move to ResultsHQ and for it to run as smoothly in the 24/25 season.

New home, new time and an increase in membership in our third year has been amazing.

Secretary's Report

Between Sharon and myself we were able to ensure that all inquiring prospective members were responded to promptly as well as supporting the communication to our community.

A core part of the Secretary role is support to the President.

This Season we have:

- increased communication with our little athletics families;
- held monthly Committee meeting's;
- responded to all emails and information requests;
- liaised with numerous contractors and stakeholders

As we continue to increase our growth as a Club we look to the future of the season 2024/25 and advocating to Council for Saturday morning competitions.

I look forward to supporting a new President and the wider Committee as we shape the coming Saisons.

Lisa O'Brien Hynes
(Eleanor, Lucinda and Charles)
Secretary

Results Manager's Report

Some great performances were recorded throughout our season and attendance and consistency contributed to determining through Little Athletics Victoria system who received trophies.

Trophies were awarded to:

- each age group - boy and girl champion and runner-up.
- overall male and female club champion (determined from the amount of points accumulated over the season)
- Most Personal Best's in the season.
- Specially designed medals were given to all athletes that had attended more than 60%.

These were all presented on our last day which was our combined Championship Day. Athletes also received ribbons for the events they competed in on Championship Day.

In December we had our last week before our Christmas break which was a highlight. Santa made a very joyful appearance with his Santa sack giving all kids a lolly bag and a chance for photo's. Special thanks to a very thoughtful Santa and his helper.

Our points system was based on the following:

1st	5 points
2nd	4 points
3rd	3 points
4th	2 points
5th	1 point

- Attendance = 1 point for each event participated in
- Equalling own personal best = 1 point
- Bettering own personal best = 2 points

Athletes could not be recorded until all registration requirements were met, including proof of age.

Thanks also to those parents that organised and ran a bbq for our Christmas breakup and our Championship Day.

Well done to all of our Surf Coast Little Athletics Family!
