President's Report

As my first season as President of Surf Coast Little Athletics, what can I say about the 2024-2025 season? Amazing, extraordinary, fun, successful and record-breaking are all words that I could use. Our weekly competition returned to Saturday mornings at Banyul-Warri Fields, Polwarth Oval. It provided opportunities for Friendship, Fun and Fitness. With some fresh mornings to start the season, but overall, the weather shining down on us allowed for a successful season of competition.

The club has grown beyond our expectations, surpassing 160 athletes for the first time. Our athletes have achieved an incredible number of personal bests, and athletes participated in the Regional and State Championships, where they put in outstanding performances. We encourage even more athletes to experience these larger events, which provide invaluable exposure and experience.

This season saw the implementation of a 300m athletics Track. The club was fortunate enough to receive a grant from Surf Coast Council to assist in having the lines marked professionally by a robot line maker. This elevated the overall feel of our competitions and allowing for a more professional look to the club.

Additionally, the return of hurdles to the program, thanks to a generous donation has been well received by our athletes. We are still working very closely with Surf Coast Council to improve our overall experience and facilities at Polwarth Oval. There have been numerous interruptions with the construction of the Aquatic centre.

President's Report

The club lost its long jump pits towards the end of the season and the lack of permanent storage facilities for our equipment and the continued issues with timing system. However, the resilience shown by our club and members to continue to assist in set up and pack up each week enables us to create the community club we currently have.

It is no mean feat to organise parent duty rosters, officials, and other helpers each week that makes our competition at Surf Coast so enjoyable. It is a testament to the good work by our club and families that we continue to attract athletes from outside Surf Coast shire to compete at our centre. It takes a lot of work from a group of amazing people to make the season work. These people volunteer their time for the benefit of our athletes. On behalf of the Committee, I would like to thank our Age Managers, Starters, Time and record keepers, BBQ helpers, and Team Managers.

I would like to take this opportunity to thank our committee for all their work behind the scenes. They are a wonderful group of pro-active, innovative, and energetic people, and the centre remains in a strong position with the current committee.

This resolute team continues to drive inclusion and belonging across all levels of our sport and create a culture where every child can thrive safely.

I'd like to thank our sponsors for their ongoing support: McCartney Real Estate, Total Sports Podiatry, Ocean Grind Coffee, Loan Market Geelong, Indigo Wolf, Steigen Socks, the Running Company Torquay. We value these relationships, thank them for their contribution, and are pleased to have them as members of our community.

President's Report

I would like to thank Total Sports Podiatry for organising a training day. The day was a success with athletes attending from various Little Athletics clubs in the area. Attendance of Olympian's and other professional athletes our members were spoilt with the opportunity to gain experience, skills and values from them.

Lastly, however, none of us would be here if it were not for our athletes. This wonderful group of children who attend each Saturday morning – running, jumping, and throwing.

I am privileged to be able to watch our athletes each week, giving their best effort, demonstrating sportsmanship, developing friendships, and participating with a smile on their faces.

Our athletes and their families are our club – a wonderful supportive community.

A community I am so very proud to be a part of.

Well done everyone, and I look forward to seeing everyone for season 2025-26.

Thank you,

Jarrod McMullen
President

Treasurer's Report

Surf Coast Little Athletics (SCLA) kicked off its fourth season with a whole lot of energy and excitement. It was amazing to see so many familiar faces back on the track - and just as exciting to welcome a bunch of new athletes to the SCLA family.

Income

Total income for the year ending 30 June 2025 was \$37,117.51, representing a strong 59.5% increase from FY24.

This impressive growth was driven by a rise in club membership, as well as increased sponsorships and a successful grant application. The club's continued growth and community support have played a key role in strengthening our financial position.

Income	\$
Membership Fees	15,671.02
Sponsorships	5900
Grant income	1668
Uniforms	5193.51
Fundraising	8277.48
Container Deposit Scheme	144.10
Outgoings Recovered	263.40
Total Income	37,117.51
Gross Profit	37,117.51

Treasurer's Report

Expenditure

Total expenditure for FY25 was **\$30,787.23**.

As in previous years, equipment purchases remained the club's largest expense, totalling \$6,655.84 - a 7.3% decrease from the previous financial year. The primary investment this year was the purchase of additional timing solution gates, a key upgrade to support our growing number of athletes and improve event efficiency.

Fundraising costs came in as the second-largest expenditure, totalling \$6,074.55. This included costs for the Bunnings BBQ and Bite Size Biscuits fundraiser, both of which helped bring in valuable revenue despite the upfront costs.

The remaining expenses covered essential operational and event-related items, including:

- Uniform purchases
- Ground management (line marking and turf repair)

Expenses	\$
Accounting & Bookkeeping	352.53
Advertising & Marketing	440
Contractor Fees	3692
Computer & IT Expenses	438.58
Competition Fees	278
Entertainment	1874.54
Equipment	6655.84
Fundraising	6074.55
Freight Courier & Postage	159
Merchandise	1501.50
Rent	151
Repairs and Maintenance	3372.50
Staff Training and Memberships	94.81
Staff Food	134.50
Subscriptions & Memberships	165.99
Uniforms	5401.89
Total Expenses	30,787.23
Operating Profit	6330.28

Treasurer's Report

- Contractor fees for equipment transport and setup
- Entertainment and events (BBQs, Santa Day, medals, trophies)
- Computer and IT expenses
- Training and development for committee members

These investments help ensure our club remains well-equipped, well-run, an enjoyable for all athletes and families involved.

Fundraising

To help support club activities, SCLA ran two fundraising events during FY25: the Bunnings Torquay BBQ and the Bite Size Biscuits Fundraiser.

The club spent a total of \$6,074.55 to launch both fundraisers:

BBQ Fundraiser

- Expenditure: \$734.55
- Funds raised on the day: \$1,355.50
- Profit: \$620.95

Bite Size Biscuits Fundraiser

- Expenditure: \$5,340
- Funds raised by members: \$6,921.98
- Profit: \$1,812.98

This was the first time the committee undertook a major fundraising effort of this scale. While the biscuit fundraiser proved more challenging than expected and the profit was lower than hoped, the overall results were still a strong step forward.

The committee would like to sincerely thank everyone who participated and supported our fundraising efforts. Your contributions are truly appreciated and will go directly toward funding future programs and activities for our athletes.

Treasurer's Report

Budget Review

After deducting total expenses from total revenue, SCLA recorded a net profit of \$6,331.68 for FY25—an impressive 756.7% increase from FY24. This significant growth is largely thanks to a boost in membership numbers, increased sponsorship, successful grant applications, and a strong year of fundraising.

As of 30 June 2025, the club also held \$20,323.19 in cash on hand, providing a solid financial foundation to support future initiatives and continued growth.

Summary

In summary, for FY25, the club achieved a healthy net profit of \$6,331.68 - a fantastic result that supports our growth, helps us meet key objectives, and allows us to fund future activities. We also maintain a solid cash reserve, ready to be used at the committee's discretion when needed.

A huge thank you to our generous sponsors, community partners, and loyal members for your continued support. We can't wait to see you all back for another exciting season in FY26!

Emma Monteath
Treasurer

Statement by the Committee of Management

It is the opinion of the committee of management that:

1. The accompanying statements income and expenditure are drawn up, so as to give true and fair view of the financial activities of the club for financial year ending 30 June 2025.
2. At the date of this statement, that are reasonable grounds to believe that Surf Coast Athletics Inc will be able to pay its debts as and when they fall due.

Signed on behalf of all the members of Surf Coast Athletics Incorporated in accordance with a resolution of the Committee.

Lisa O'Brien Hynes
Chairperson

Our fourth season saw our return to Wadawurrung Way - Polwarth Oval and back to Saturday mornings. We returned to Saturday's after surveying our Little Athletics community to seek what the preference would be. While we are mindful that Polwarth Oval may not be our forever home we are happy to be part of the Sporting Precinct and continue to make it ours. Our supporter base increased again and the amount of queries coming through was the highest yet.

We farewelled some key founding Committee members including our President Cassie Capuano and Results Co-ordinator and Registrar Sharon Mynott. Our grounds person Colin Mynott also stepped away.

Secretary's Report

The dedication from the Mynott family not only over the first 3 seasons, but their support to get Little Athletics up in the Surf Coast will not be forgotten and has ensured we were set up to continue smoothly.

We warmly welcomed Jarrod McMullin as our new President and were excited to welcome back a founding member Claire Osborn. A huge thanks to those people.

This season saw my role stepping into providing a weekly newsletter - communication to the SCLA community. I hope that these were informative and assisted in bringing the community together. I also continued to represent at the Western Metro Regional Committee monthly meetings and attended the LAVic AGM.

Secretary's Report

Our registration process changed significantly and we thank everyone for moving on to the new platform - GameDay with few hiccups. We were extremely fortunate that Paula Lee stepped into the vacated Registrar space and showed quite quickly how capable and competent she is.

Thank you also to Emma and Jeremy Monteath who started our move across to ResultsHQ and then to Claire Osborn for taking up the mantle of entering Results.

Thank you to both Guy Price and Scott Harding who have been key members of the SCLA community both on the Committee and on competition days. Guy is stepping away from his role as Facility Coordinator and U8 Age Group Leader and Scott as Competition Timing Coordinator. Both have been key faces each week and will be missed in their respective roles.

A core part of the Secretary role is support to the President.

This Season we have:

- increased communication with our little athletics families;
- held monthly Committee meeting's;
- responded to all emails and information requests in a timely manner;
- liaised with numerous contractors and stakeholders
- been involved in CDS scheme
- Increased social media presence (thanks Chantelle Bryant!)
- Held our first Bunnings BBQ
- Dipped our hand in fundraising with the biscuit boxes

As we continue to increase our growth and go from strength to strength as a Club we look to the future and continue to advocate to the Council for our forever home with dedicated facilities.

I look forward to continuing to support Jarrod as President and the wider Committee as we shape our future and the coming Seasons.

Lisa O'Brien Hynes
Secretary

Records & Results Report

I stepped into the role partway through & it was a highly enjoyable role, offering a great view of the effort and progress made by athletes across all age groups each week as they strove for personal bests in a wide range of events.

Maintaining up-to-date centre records on our recording forms was a challenge last season, and it's an area we're keen to improve in 2025–26. Having someone committed to the role from the outset would make a significant difference to the consistency and accuracy of our records.

This presents a great opportunity for someone with strong data, organisational and analytical skills to step in and add real value to the centre's success by bringing time and focus to this important task.

Centre records, particularly in the older age groups, were being broken regularly. Thank you to the parent helpers who embraced learning the correct techniques for measuring and recording results. Your efforts ensured performances could be recognised as new centre records.

Looking ahead, a key focus for improvement is ensuring correct technique during centre-level events. This will help prevent athletes from being penalised at regional and state competitions due to technical errors.

One exciting development this season was the addition of a tablet to our equipment, which significantly reduced the time required for entering results - an enormous help to the team.

We were also exceptionally fortunate to be joined by new committee members. Ian Bryant was instrumental in assisting with timing improvements & Chantelle Bryant who ensured all our awards and our presentations went smoothly on Championship Day. Both of their assistance, which arrived shortly as joining as a new family has lifted a significant load to our committee, thank you!

In track and field, 18 Surf Coast athletes competed at the regional championships, with 5 qualifying for the state championships.

Another major highlight came at the Cross Country Relay Championships, where our Girls U12 team won silver in the 3 x 2km event - our club's first-ever state medal at relays.

We're also looking forward to celebrating our cross country results from the upcoming Cross Country State Championships.

Claire Osborn
Vice President &
Results Coordinator
