

SURF COAST
LITTLE ATHLETICS

ANNUAL REPORT

2025/26

A background image of a beach scene with a large white banner in the foreground. The banner has the text 'SURF COAST LITTLE ATHLETICS' printed on it in large, bold, teal letters. The banner is slightly wrinkled and appears to be hanging over a fence or barrier. In the background, there is a sandy beach, some low-lying vegetation, and a cloudy sky.

President's Report

It is my pleasure to present the President's Report for the **2025 - 2026 Little Athletics season** on behalf of the committee.

The past season has been another positive and rewarding year for our club. Our focus continues to be on providing a welcoming, inclusive, and enjoyable environment where young athletes can develop their athletic skills, build confidence, and participate in sport in a supportive community setting.

Participation and Membership

This season we had slight decrease in registered athletes. It was encouraging to see strong participation across all age groups, with athletes demonstrating enthusiasm, commitment, and excellent sportsmanship each week.

Our weekly competition day continued to be well attended and provided athletes with opportunities

to improve their skills, achieve personal bests, and experience a range of track and field events supported by many dedicated families and volunteers.

Athlete Development and Achievements

Throughout the season, our athletes represented the club with pride at **Regional, and State-level competitions.**

Many athletes achieved personal best performances and gained valuable competition experience.

These achievements reflect not only the effort of the athletes themselves but also the support and encouragement provided by their families and other athletes.

President's Report

Volunteers and Officials

Little Athletics relies heavily on volunteer support, and I would like to sincerely thank all the parents and committee members who contributed their time during the season.

Running weekly competitions requires many volunteers performing various roles; your willingness to assist ensures that competitions run smoothly and that our athletes can enjoy their events in a safe and organised environment.

Committee and Club Management

I would also like to acknowledge the efforts of the **committee members**, who have worked diligently behind the scenes to manage registrations, finances, equipment, communication, and overall club operations.

Serving on the committee requires significant commitment, and the club greatly benefits from the experience and dedication of those involved. On behalf of all members, I extend my sincere appreciation for their contribution throughout the season.

Looking Ahead

As we look towards next season, the club remains committed to continuing to strengthen and develop our programs and community.

As with all community sporting organisations, the continued success of our club relies heavily on the support and involvement of volunteers.

President's Report

We encourage families to consider joining the club committee. Bringing in new committee members helps share the workload, introduce fresh ideas, and ensure the ongoing sustainability of the club.

Even small contributions of time and assistance can make a significant difference, and we warmly welcome anyone interested in becoming more involved in the running and future direction of the club.

With the ongoing support and dedication of our athletes, families, volunteers, and committee members, I am confident that the club will continue to provide a positive and rewarding environment for young athletes to learn, grow, and enjoy the sport of athletics.

In closing, I would like to thank all athletes, families, volunteers, and committee members for their commitment and support throughout the season.

Your involvement is what makes **Surf Coast Little Athletics Club** such a valued part of our community.

I look forward to another successful season ahead.

Thank you,

Jarrod McMullen
President

Treasurer's Report

The fifth season of Surf Coast Little Athletics (SCLA) got off to a fantastic start, with the track buzzing with energy and excitement.

It was wonderful to welcome back many returning athletes and just as exciting to see so many new athletes and families joining the SCLA community.

This season we changed our financial reporting period from a financial year to a calendar year.

This adjustment was decided by the committee to allow the AGM to be held at the end of the season rather than in the middle of the year, with the hope that more parents will be able to attend.

As a result, the financials included in this report cover the period from 1 July to 31 December 2025.

Opening Balance

As of 1 July 2025, the opening balance was \$19,924.35 in the Bendigo Bank account and \$112.87 in the Commonwealth Bank account totalling = \$20,037.22.

Income	\$
Membership Fees	12,514.00
Sponsorships	0
Grant income	0
Uniforms	3627.07
Fundraising	30.00*
Container Deposit Scheme	37.90
Outgoings Recovered	203.50
Total Income	16,412.47
Gross Profit	16,412.47

Treasurer's Report

Income

Total income for the period 1 July to 31 December 2025 was \$16,412.47, representing a 38.9% decrease compared to the same period in the 2024 - 25 financial year.

This reduction in income was primarily due to lower club membership numbers and the absence of sponsorship, grant, and fundraising income during the period. The club applied for a number of grants; however, these applications were unfortunately unsuccessful.

The \$30 recorded under fundraising income was a delayed payment from the previous year's fundraising activity.

Expenditure

Total expenditure for the period 1 July to 31 December 2025 was \$19,668.57, representing a 13.8% increase compared to the same period in the 2024-25 financial year.

With the introduction of the SCLA hoodies, the purchase of uniforms was our largest expense, followed by computer and IT services due to the requirement of purchasing two new laptops for the club, a key upgrade to support the required administration behind the scenes and to improve event efficiency.

The remaining expenses covered essential operational and event-related items, including purchase of medals/trophies, contractor fees for initial line marking and equipment transport, equipment purchases and the ground management (line marking and turf repair).

Treasurer's Report

Closing Balance

Closing Balance = Opening Balance +
Income – Expenses

- Opening Balance (\$20,037.22)
 - Income (\$16,412.47)
 - Expenses (\$19,668.57)
- = Closing Balance \$16,718.12.

As of 31 December 2025, the club held \$16,883.19 in the Bendigo Bank account and \$183.90 in the Commonwealth Bank account totalling = \$17,017.09.

Summary

Overall, the club remains in a stable financial position. While income for this period was lower than expenses due to reduced membership numbers and limited fundraising, grants, and sponsorship opportunities, the committee continues to manage spending carefully. As a result, the club maintains a healthy closing balance and remains financially sustainable.

Emma Monteath
Treasurer

Expenses	\$
Awards & Recognition	2971.39
Contractor Fees	2836.29
Computer & IT Expenses	4043.51
Equipment	1841.88
Repairs and Maintenance	1149.50
Staff Food	28
Subscriptions & Memberships	555
Uniforms	4933.50
Volunteer Uniforms	1309.50
Total Expenses	19,668.57
Net Loss	-3256.10

Statement by the Committee of Management

It is the opinion of the committee of management that:

1. The accompanying statements income and expenditure are drawn up, so as to give true and fair view of the financial activities of the club for financial year ending 31 December 2025.
2. At the date of this statement, that are reasonable grounds to believe that Surf Coast Athletics Inc will be able to pay its debts as and when they fall due.

Signed on behalf of all the members of Surf Coast Athletics Incorporated in accordance with a resolution of the Committee.

Lisa O'Brien Hynes

Treasurer

[illegible]

Secretary's Report

Season Overview

Our fifth season saw us return to Wadawurrung Way - Polwarth Oval and early Saturday morning's. While we continue our search for a permanent home, we are pleased to continue to be part of the Sporting Precinct.

Following a change to our reporting period, as voted on at the last AGM, this report reflects a shorter timeframe from July to December. Despite this, it has still been a productive and positive period for the Centre.

We changed the track to marking out a 300m course, as well as the

move of our long jump pits due to the building of the new aquatic centre.

Our supporter base remained steady, and we received over 100 enquiries about the Club. We had our first Come and Try day that we will continue to refine as we move forward.

There were multiple successes with Western Metro Region events across the Relays and Track and Field. Our athletes progressed into State Relays and Track and Field as well as attendance at multiple other Little Athletics Victoria (LAVic) opportunities.

Secretary's Report

Committee Changes

We bid farewell to two significant Committee members, including President Jarrod McMullin and our athletic warm up superstar Meg Norman.

Their leave presents numerous opportunities for others to step forward to join an inclusive team. We thank both Jarrod and Meg for the work that they did at Saturday competition as well as behind the scenes.

Secretary Role

The Secretary plays a vital role in the smooth running of the Club, acting as the central point of contact for correspondence and communication. Responsibilities include organising meetings, preparing agendas and minutes, maintaining accurate records, and keeping members informed of important updates.

The Secretary also ensures that all necessary paperwork and compliance requirements are

handled efficiently, supporting both the Committee and the wider Club community.

This season, our newsletter grew with the amazing support and genius that is Chantelle Bryant. The SCLA community were able to seek all the information that is needed to make each week fun as well as fostering a sense of togetherness.

I continued to represent the Club at Western Metro Regional Committee monthly meetings and attended the LAVic AGM.

Supporting the President is a core aspect of the Secretary's role.

Registration and Results

Paula Lee continues to shine as our superstar Registrar. The registration process continued to evolve as GameDay entered it's second year as our platform of choice.

Thank you to Sarah Jane Ross for taking over the responsibility for entering results throughout the season.

Secretary's Report

Acknowledgements

Thanks to Liam Norman who has supported Ian Bryant as our Competition Timing Straight Co-ordinator. Liam's presence each week will be missed. A huge shout out also to Alana Walsh who continues to be our merchandise queen, and Phil Harper for Co-ordinating the cross country season.

Season Achievements

- Increased communication with Little Athletics families
- Held regular Committee meetings
- Responded to all emails and information requests promptly
- Liaised with various contractors and stakeholders
- Participated in the CDS scheme
- Boosted social media presence (thanks to Chantelle Bryant)
- Held first Come & Try Day

Looking Ahead

As our Club continues to grow and strengthen, we remain committed to advocating to the Council for a permanent home with dedicated facilities.

I look forward to continuing to support our next President and the broader Committee as we work together to shape our future and the seasons ahead.

Lisa O'Brien Hynes
Secretary

Results Report

We are incredibly fortunate to have such dedicated athletes and supportive families at the Surf Coast Athletics Centre. It has been a true privilege to record results each week and be part of an environment where athletes are consistently striving to improve.

Watching athletes across all age groups grow in confidence and capability and seeing so many achieve personal bests week after week, has made this role both meaningful and highly rewarding.

This season has also been highlighted by an outstanding number of centre records being broken. These achievements are a testament not only to the talent and commitment of our athletes, but also to the strong culture of encouragement and effort that exists within our centre. It has been exciting to witness these moments and celebrate them as a community.

We are especially grateful for the incredible support of our family helpers. Week after week, families generously volunteer their time to assist with coaching technique, measuring performances, and recording results. Their willingness to step in and support the smooth running of events plays a crucial role in creating a positive and well-organised competition environment. Quite simply, without our helpers, the program would not be able to operate.

A special mention must go to Ian Bryant for his dedication and reliability in overseeing the timing and gates each week.

His commitment behind the scenes ensures that events run efficiently and results are accurate, which is essential to the integrity of our competitions. We are also incredibly thankful to Chantelle Bryant for her outstanding work in coordinating the weekly family roster. Her organisation, communication, and attention to detail ensure that every event is adequately supported, allowing each week to run seamlessly. Together, their contributions have been invaluable to the success of the season.

Looking ahead, we are keen to continue building on this strong foundation by placing an increased focus on developing correct technique during centre-level events. By reinforcing proper skills and event-specific rules, we can better prepare our athletes for the expectations of regional and state competitions. This focus will not only help prevent unnecessary penalties due to technical errors, but also support our athletes in reaching their full potential as they progress through the sport.

Overall, it has been a fantastic season, and we look forward to continuing to support and celebrate the growth and achievements of all our athletes in the future.

Sarah Ross
Results Coordinator

Records Report

The 2025/26 season has been wonderful for Surf Coast Little Athletics Centre, with 132 athletes registered for the Track & Field season.

From my perspective, the level of organisation across the season has been a standout, from coordinating volunteers through to accurate timing and recording of results.

We have certainly seen an increased willingness across the Centre to ensure results are being recorded with care and accuracy. With the continued support of our families, this is something that will keep improving as our Centre evolves. I'd like to thank Sarah Jane Ross for taking on results entry and inputting the program this season with such care and diligence, and Chantelle Bryant for her wonderful volunteer coordination. This summer season saw 51 new Centre records established, which is a fantastic reflection of the effort and performance of our athletes.

At a representative level, we sent 15 athletes to the Regional Relay Championships, competing across 15 relay events in U9 male and mixed teams, U11 male and U13 female teams. From this, we qualified for the State Relay Championships in four events (U9 mixed and U13 female), where all teams performed exceptionally well.

We also had three athletes compete at the State Combined Events Championships. All approached the experience with a great attitude, taking on the challenge of a very different competition environment and doing their best.

A further 20 athletes attended the Regional Track and Field Carnival, which was an incredible turnout.

What stood out most wasn't just the results, but the way our athletes approached competition - with a focus on challenge, sportsmanship and personal improvement. Surf Coast LAC appeared on the podium on 11 occasions at the Regional Carnival, with Audrey Byrnes also setting two Western Metro Region records: Long Jump - 3.78m and 100m - 15.64.

Nine athletes qualified for the State Championships, with seven competing. Once again, Surf Coast athletes delivered, particularly in the U9s. A special mention to our state place getters—
Lakey Rigler (1st 400m),
Audrey Byrnes (2nd 100m, 3rd 200m), Flynn Greenhough (3rd Shot Put).

As I reflect on the season, I'm continually grateful that we have a home at Surf Coast for our local kids to come together and compete. There is something to be said about our modest grass track. While it may not be the most advanced facility, it provides a fantastic foundation for young, growing athletes and is much more forgiving on their bodies. More importantly, it reminds us what this is all about - kids enjoying athletics with their friends, taking pride in their Centre, and being part of a community where mateship and camaraderie are front and centre.

We look forward to another great season in 2026/27, kicking off with what will no doubt be another strong cross country season, hopefully topping our 35 athletes who participated last year!
